Training Material	8

Distribution

This document is a “living document” and is updated in real-time as documents and procedures change. Any downloaded copies or printed copies should be verified against the online copy before it is used as an authoritative reference.

Legacy Documentation

vZHU is undergoing a large-scale documentation update. Policies not listed as published here may be found on the vZHU website or on the vZHU IDS.

Policies/Procedures

Doc ID	Title	Revision	Update Status	Cancellation
